404 Hack Evolution

M.H. Saboo Siddik College of Engineering

Established in 1985, M. H. Saboo Siddik College of Engineering popularly known as Saboo quickly established itself as the largest and the foremost Engineering college in South Mumbai. To prepare the students for life & work in an information rich technology driven world, the college offers 4 years professional degree courses in, Mechanical, Automobile, IT, Civil, Electronics, & Computer Engineering.

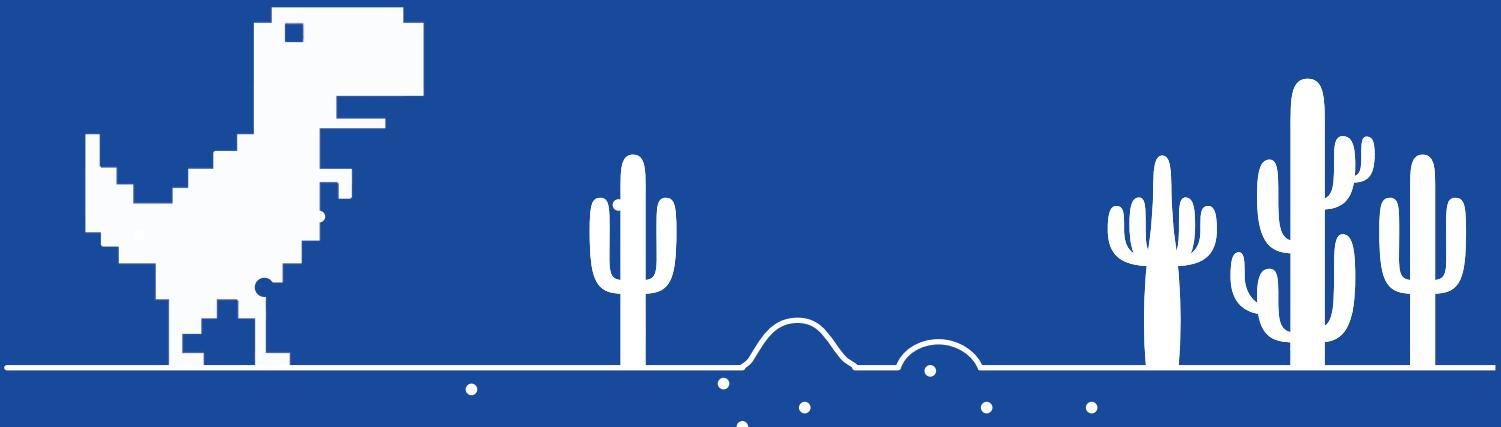

What is Hackathon

A Hackathon is an event of any duration where people come together to solve certain social and technological issues through use of Information Technology in the best possible way.

What is ERR_404

ERR 404 is a 24hrs State level Hackathon organized by Computer Department Of M.H. Saboo Siddik College of Engineering. We call out the cybernerds to come forth, compile minds and execute ideas in competitive environment. The hackathon runs across the weekend which offers student to work in groups, brainstorm ideas and build a working prototype.
